1978-06-08	1978-06-08	https://www.nytimes.com/1978/06/08/archives/article-3-no-title.html	QThe painted wood window frames on our three-year-old house are rotting. The vertical pieces rot from the sill up and from the inside out, and then the sills start rotting. This has happened only on the southwest side of the house, on four of the seven windows there. The builder has offered to replace the vertical pieces, but not the sills. He says it is too complicated. What are the possible causes of this, and how can the rotting be prevented or arrested? J.E.G., Moorestown, N.J.	True		1978-06-12 0:00	TX 40871
